

# IN CALL CONTROLS

PRESS	WHAT IT DOES	PARTICIPANT	CHAIRPERSON
* 0	Mute or un-mute your line	✓	✓
* 2	Lock or unlock the conference to new callers (callers with chairperson PIN can still join)		✓
* 4	Mute or un-mute all participants		✓
* 5	Roll-call: plays a list of attendees names to the room		✓
* 6	Caller-count: plays the number of attendees to the room		✓

**NOTE:**

If the chairperson has pressed \* 4 to mute all participants, attendees cannot un-mute themselves using \* 0.

If a participant presses \* 0 to mute themselves, the chairperson cannot un-mute them. The participant needs to press \* 0 in order to un-mute themselves.
