

Legal Conferencing

Diva Legal conferencing offers **high quality, low cost, easy to use,** conference calls tailored to the needs of **legal professionals**

NEVER MISS A RE-BILLING OPPORTUNITY AGAIN WITH PROJECT ACCOUNTING CODES (PAC) ideal for organisations who need to bill end clients or attribute costs to individual cases within a department or cost centre.

The numeric codes are entered by the room chair person after the pin number and appear on our invoice to you in the PAC column allowing you to easily bill back the call costs to the relevant party or project.

DIVA CONFERENCING PRO ACCOUNT - FOR THE FREQUENT CONFERENCE CALLER

LOW COST MOBILE ACCESS

We can provide UK 01/02/03 access numbers which are free to call when using inclusive mobile minute bundles - much better than calling 0844 numbers that can cost over 20p per minute.

CALL RECORDING

Simply log into the portal to access conference call recording and email on an electronic recording for your records.

UK FREEPHONE AND INTERNATIONAL TOLL FREE ACCESS

Using this cost-effective service, your callers can dial-in for free anywhere in the UK as well as from over 40 available countries.

TEXT MESSAGE INVITES

This completely free service gives you the ability to remind participants to join your conference call.

REAL TIME STATISTICS AND BILL MANAGEMENT

View details of callers, access numbers used and call durations using real time call statistics - and thanks to department billing, you can look at your call charges room by room.

PERSONAL GREETING ON A DEDICATED ACCESS NUMBER

For a little extra you can set up a personalised greeting on your own dedicated access number to improve your business's professional image.

DIVA CONFERENCING OFFERS AD-HOC INSTANT ACCESS CONFERENCE CALLS GLOBALLY FOR UP TO 50 PARTICIPANTS, WE CAN ACCOMMODATE MUCH LARGER PARTIES OF UP TO 300 WITH A 5 WORKING DAY NOTICE PERIOD.
